---Agenda Topics---

1	Approve Agenda	Decision
2	Approve Minutes of February 2015 Meeting	Decision
3	Rigglesman-Soenksen Woods as potential new preserve – Discussion of morning field trip to this proposed preserve, a natural woodland owned by the Crawford County Conservation Board and the Iowa Natural Heritage Foundation.	Information – Glenn Pollock
4	Woodman Hollow – A homeowner adjacent to the pedestrian access lane to the preserve wishes to construct a garage whose edge would be located two feet from the property boundary instead of the normal ten feet. The Webster County Planning and Zoning Commission has asked the DNR for comments regarding this proposed variance. Due to the status of the property as a state preserve, DNR in turn seeks comment from the Preserves Board.	Information – John Pearson
5	Proposal Selection – Nine proposals for research and inventory were received for the upcoming 2015-16 fiscal year. Board members will rank the proposals for available funding.	Decision – John Pearson
6	Updates and General Discussion	Information
